We do not have help to dig stock on Saturdays
but if you want to pick up stock on Saturday, let
us know long enough in advance so we can have
it ready for you.

We are going to be in a position to supply some
Pine Straw Mulch. Will not be in a position to
supply large quantities this season, but hope to
increase our supply later on, that we can take care
of large orders. We feel that this is the best mulch
available.

Priced at \$3.25 per bale. f. o. b. our nursery

We feel that we are in a position to grow *Taxus*
to a peak of perfection due to the light soil and
perfect drainage that our lands afford us. Try
these and we think that you will be well pleased.

Plan to visit with us. Bring along your fishing
